cum laude, 2003

Mr. Balazer concentrates his intellectual property practice on counseling clients in patent matters, including global patent portfolio strategy, obtaining utility and design patent protection, infringement risk avoidance and opinions. He regularly counsels clients, from Fortune 500 companies to startups, in a range of industries and technical disciplines, including medical devices, automotive systems, lithium-ion batteries and green tech and consumer products. Prior to joining Young Basile, Mr. Balazer was an associate with Foley & Lardner.

Industry Experience

Mr. Balazer also has experience as an engineer in the automotive industry having worked in chassis quality and development at Ford Motor Company and in automotive safety for Delphi Corporation.
